

Let us pray. Father, you have revealed the love that saves us from evil and sorrow by giving us Jesus, your Son who took flesh from Mary, the all holy flower of our race. Jesus has revealed to us our fully dignity as your sons and daughters – precious to you and invited to live with him in the communion of the Church, your people, your family. Through the gift of your Holy Spirit, and the grace of hope, faith, and above all, charity, we humbly seek your help as we consider the educational work of the Church and the well being of our families. Show us the path of communion, charity and truth. Our Father, who art in heaven....
