

**To: Principals & Chairpersons of Boards of Trustees**

Hi All

Further to my previous email (18/12/12), the Diocese has now received detailed engineering evaluations (DEEs) for **2 more** of its 33 schools; i.e. the Diocese has now received the DEEs for:

1. Our Lady of the Assumption School (Hoon Hay)
2. St Bernadette's School (Hornby)
3. St Albans Catholic School
4. St Anne's School (Woolston)
5. St Peter's School (Beckenham)
6. St Patrick's School (Bryndwr)
7. Our Lady Star of the Sea School (Sumner)
8. Our Lady of Fatima School (Mairehau)
9. St Teresa's School (Riccarton)
10. St James' School (Aranui)
11. St Joseph's School (Papanui)
12. New Brighton Catholic School
- 13. Christ the King School (Burnside)**
- 14. St Joseph's School (Rangiora)**

I have included the individual classroom block %NBS results of these 14 DEEs in the attached summary spreadsheet.

The DEE reports on each of these schools have been posted to the school's Board of Trustees.

The DEE reports in the greater Christchurch area will also be provided to the Canterbury Earthquake recovery Authority (CERA).

We anticipate that the DEE process for all 33 diocesan schools will be completed by June/July 2013.

Would you be so kind as to ensure this information is provided to your school's Board of Trustees ... thanks (in anticipation).

May faith, hope and love be your treasures in this new year.

Cheers

Mike
